

RoHS COMPLIANCE

Declaration about Environmental-related Hazardous Substances according to the EU Directives RoHS and WEEE

our ref: MP/nna

Schaan, January 2012

Neutrik herewith confirms that not any of the following restricted or banned substances are used in the manufacture of parts and devices of its connector products:

- Mercury
- Cadmium
- Lead*
- Hexavalent Chromium
- Polyvinyl Chloride (PVC)
- Polybrominated Biphenyls (PBB)
- Polybrominated Diphenyl Ethers (PBDE)
- Perfluorooctanesulfonic (PFOS), Perfluorooctanoic Acid (PFOA)

Any of the above substances present would have to be described as an impurity and would only be present below the allowable concentration value thresholds.

This declaration conforms to following Regulations, Directives and Rules:

- EU 2011/65/EC (RoHS)
- EU 2002/96/EC (WEEE)
- EU 2006/122/EC
- Sony Technical Standard SS-00259 (Green Partner Program)

All of our products are sold subject to our standard terms and conditions, among which are a limited warranty against defects including the presence in our products of the substances identified above. The statements set forth above in the Declaration are qualified by all of our standard terms and conditions, which limit remedies of purchasers of our products for breach of warranty to repair or replacement during a specified warranty period.
