

# SE8FD-TOP

Assembly kit to convert D-series etherCON connectors into TOP versions.

## Features & Benefits

- ✓ D-sized receptacle flange for PCB mount and IDC termination
- ✓ Consisting of Chromium plated flange incl. cover, sealing gasket, push lever and mounting screws
- ✓ IP65 rating and certified outdoor protection to UL 50E (in combination with NE8MX-TOP or sealing cap closed)
- ✓ Uses high impact UV-resistant and gasket materials
- ✓ Class D or CAT5e according to ISO/IEC 11801 and TIA/EIA

## Technical Information

| Product                            |                         |
|------------------------------------|-------------------------|
| Title                              | SE8FD-TOP               |
| Material                           |                         |
| Shell                              | Zinc diecast (ZnAl4Cu1) |
| Sealing gasket and locking element | EPDM                    |
| Shell plating                      | Chromium                |
