This Act, commonly known as California Proposition 65 (Cal. Prop. 65 or Prop. 65), establishes a list of chemicals which the state of California's risk assessment process has determined to present a risk of cancer, birth defects or other reproductive harm. The Proposition 65 chemical list can be found at:

<https://oehha.ca.gov/proposition-65/proposition-65-list>

Neutrik AG is committed to providing safe, high quality products for our concerned parties. We have worked with our suppliers, USA certified testing laboratory and our supply chain partners to ensure the purchase of raw materials that will meet California Proposition 65 standards. Be assured, Neutrik AG will continue to monitor the California Proposition 65 regulations for any new chemicals. Neutrik AG will compare any newly listed chemicals with the raw materials in our finished product and communicate this information to our concerned parties.

We appreciate the great support we got from all international involved employees.

Sincerely,

Schaan, 09th August 2019

Neutrik AG
