NEUTRIK[®]

A brand of the Neutrik Group

ultimate POWER CORDS

Our cutting-edge cord sets and interconnection cord sets are engineered to perfection, offering you unmatched quality, reliability, and safety.

QUALITY, RELIABILITY AND SAFETY

UNPARALLELED DESIGN

The NEUTRIK Power Cord Ultimate Series boasts overmolded powerCON TRUE1 connectors and overmolded plugs (e.g., Schuko E+F). These powerCON TRUE1 connectors are fully norm compliant and VDE certified. All ultimate cord sets and interconnection cord sets are tested and VDE certified according to EN IEC 60799. When it comes to quality and safety, we set the bar high.

COMPLIANCE MATTERS

Our powerCON TRUE1 connectors go above and beyond, proudly designed according to IEC EN 60320-1 specification, complying with all required norms and standards. You can trust that your equipment is in good hands with NEUTRIK.

SAFETY FIRST

At NEUTRIK, we prioritize your safety above all else. Our power cords are rigorously tested and certified to ensure they meet the highest safety standards in the industry. With the NEUTRIK power cord ultimate series, you can enjoy peace of mind, knowing that your equipment is protected.

RELIABILITY

That's Guaranteed: Our power cords are not only safe but also incredibly reliable. Thanks to our unique low-pressure overmolding process, innovative compound materials and the use of high-quality raw cable (TITANEX®), you can trust that your NEUTRIK power cord ultimate series will perform flawlessly, even in the most demanding environments.

PROVEN TECHNOLOGY

We have harnessed the power of the proven powerCON TRUE1 connector technology to provide you with a power cord that is second to none. Whether you're in a studio, on a stage, or in a professional setting, the NEUTRIK power cord ultimate series is the ultimate choice.

EUROPEAN CRAFTSMANSHIP

Our cords are proudly produced in Europe, adhering to the highest manufacturing standards. European production guarantees precision, quality, and reliability that you can count on.

When it comes to power cords, the NEUTRIK power cable ultimate series stands head and shoulders above the rest. Don't compromise on quality, safety, or reliability – choose the ultimate in power cords.

FEATURES AND BENEFITS

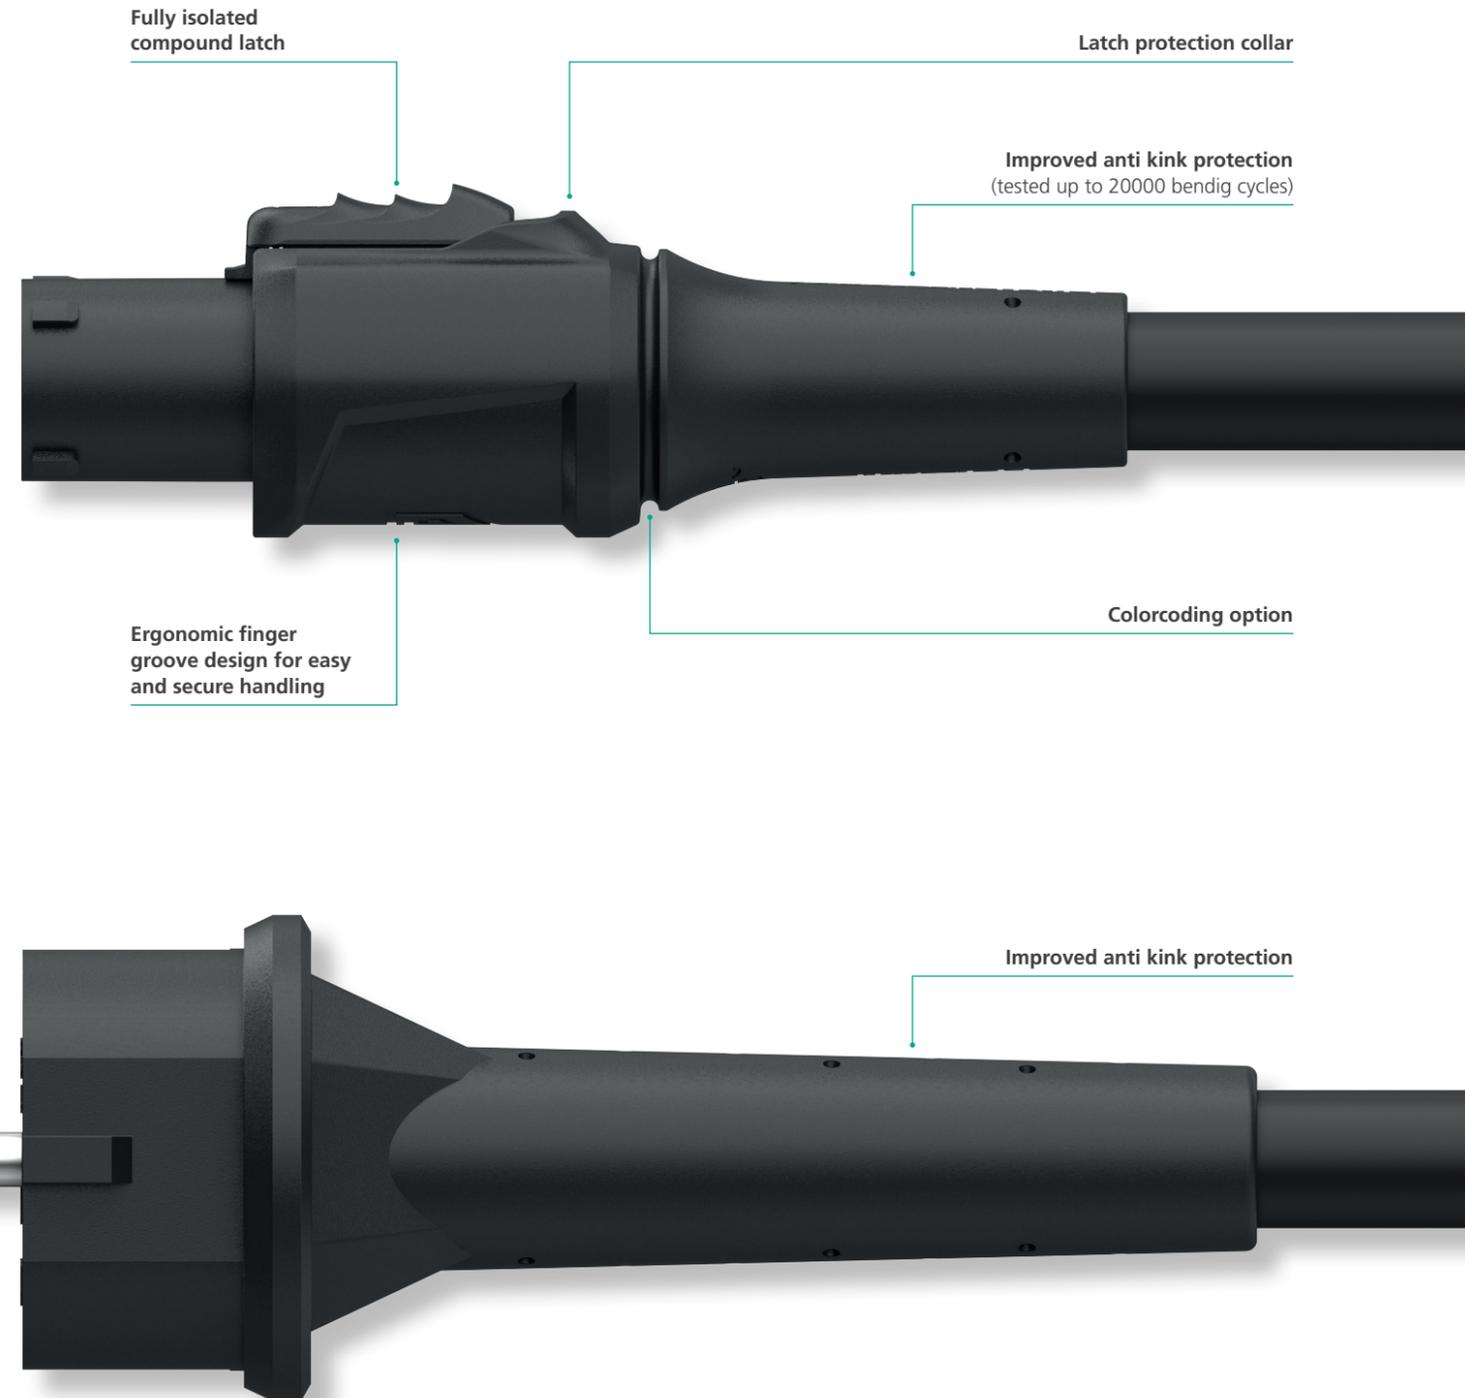

Latch protection collar

Improved anti kink protection
(tested up to 20000 bendig cycles)

Colorcoding option

High tech DARKSTAR
soft compound for improved
durability and haptics

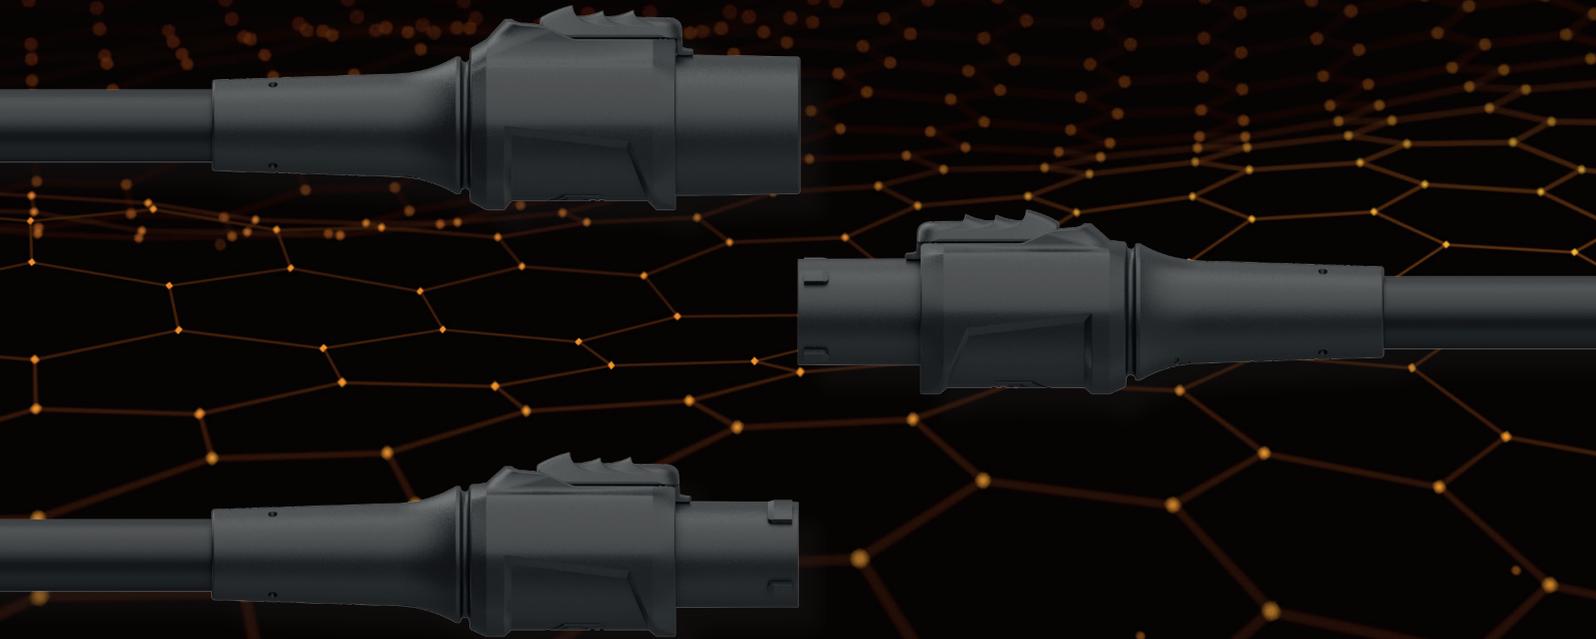

- Proven powerCON TRUE1 connector technology with CBC (breaking caopacitiy)
- VDE Certified and fully norm compliant acc. EN IEC 60799 and EN IEC 60302-1
- TRUE OUTDOOR PROTECTION powerCON TRUE1 IP65 (Schuko IP44)
- High quality H07RN-F cable (TITANEX®) with conductor cross section of 1.5mm² and 2.5mm²
- Extreme reliable and durable baseded on improved anti kink protection (tested up to 20000 bending cycles) and high tech DARKSTAR hard- and soft-compound material
- 100% manufactured in Europe
